- Pediatric Eye Care
- Treatment of Amblyopia and Strabismus (lazy eye)
- Eye Muscle Surgery in Children and Young Adults

A Foundation Of Educational Excellence

Dr. Scott Silverman graduated first in his class at Pitzer College of the Claremont Colleges in California. He continued his education by graduating with honors from Washington University in St. Louis with a medical degree and a master's degree in Visual Psychophysics. After serving as an intern in internal medicine at Cedars Sinai Medical Center in Los Angeles, he completed his ophthalmology residency at Doheny Eye Institute at the University of Southern California.

Dr. Silverman received subspecialty training in pediatric ophthalmology and strabismus at Texas Children's Hospital and Cullen Eye Institute at Baylor College of Medicine.

Dr. Silverman joined Coastal Eye Institute in 1995.
