MEDICAL EDUCATION

Dr. Paul Brannan commenced his academic journey at Davidson College, followed by the esteemed Wake Forest University School of Medicine in Winston-Salem, North Carolina, where he earned his medical degree. His pursuit of excellence led him to complete his internship at University Hospital, University of Cincinnati, before continuing his ophthalmology residency at the same institution.

Driven by a passion for advancing his field, Dr. Brannan pursued fellowship training in oculoplastic surgery at University Hospital, University of Cincinnati. During this time, he assumed roles of significant responsibility, serving as Resident Clinic Director, as well as holding positions as a Clinical Instructor and an Assistant Professor in the Department of Ophthalmology.

Dr. Brannan's dedication to the advancement of ophthalmology is evident through his extensive contributions to scholarly literature, including journal articles, chapters in medical texts, and various health-related publications. He is also a sought-after presenter, having delivered numerous presentations to esteemed organizations such as the American Society of Ophthalmic Plastic Surgeons, The European Society of Ophthalmic Plastic and Reconstructive Surgeons, the American Academy of Ophthalmology, and the Association for Research in Vision and Ophthalmology.

In 2017, Dr. Brannan brought his wealth of knowledge and expertise to Coastal Eye Institute, where he continues to make significant contributions to the field of ophthalmology, enriching the lives of his patients through compassionate care and innovative surgical techniques.
