MEDICAL EDUCATION

Dr. Murray Friedberg earned his undergraduate and medical degree at Pennsylvania State University, distinguishing himself as a Phi Beta Kappa honoree. Following an internship at Cleveland Clinic in Ohio, he pursued his residency in ophthalmology at the Medical College of Virginia.

His dedication to advancing his expertise led him to complete fellowship training in corneal transplants and lens implant surgery at the prestigious Jules Stein Eye Institute at the University of California, Los Angeles (UCLA).

With over three decades of experience, Dr. Friedberg has refined his skills with meticulous attention to detail, ensuring the delivery of exceptional patient care.
