## MEDICAL EDUCATION

Dr. Neal Kansara's journey to becoming a distinguished ophthalmologist began at the Medical College of Georgia at Augusta University, where he earned his medical degree. Following his passion for excellence, he pursued residency training at Penn State Health Milton S. Hershey Medical Center, honing his skills and expertise in ophthalmology.

Dr. Kansara's commitment to advancing his field led him to undertake specialized training in glaucoma at the prestigious Baylor College of Medicine in Houston, Texas, where he completed a fellowship. Under the guidance of esteemed experts, he gained invaluable experience and knowledge in the diagnosis and treatment of glaucoma.

In 2022, Dr. Kansara joined Coastal Eye Institute, bringing with him his dedication to providing exceptional eye care to patients. With his expertise and compassionate approach, he continues to uphold the institute's commitment to excellence in ophthalmology.
